

AMITY SCHOOL OF ENGINEERING AND TECHNOLOGY

WEEKLY PROGRESS REPORT (WPR)

For the week commencing: 18/12/2024 – 24/12/2024

WPR : 2

Enrolment Number: A2305222754, A2305222603, A2305222568, A2305222586

Program: B. Tech CSE (2022-2026)

Student's Name: Abdus Samad Ali, Manav Sanger, Aditya K Sharma, Harsh Chaturvedi

Faculty Guide's Name: Ms. Juhi Singh

PROGRESS/ACHIEVEMENTS FOR THE WEEK: We had the opportunity to interact with students in an NGO and gain insights into the organization's primary objective. Through these interactions, we gained valuable experience in understanding the efforts made to uplift underprivileged children from slum areas and provide them with quality education. It was truly enlightening to witness the dedication of the NGO in promoting equal educational opportunities for all, regardless of their socio- economic background. The experience was a testament to the positive impact that can be achieved through collective efforts and an unwavering commitment to serving society. We are grateful for this enlightening experience and believe that it will inform my future interactions with similar organizations.

FUTURE WORK PLANS: We plan to actively participate in promoting the cause of social betterment. With this objective in mind, we will be embarking on an awareness campaign in the coming week to educate and engage the community on the ways in which they can contribute to the betterment of society.

Through this initiative, we aim to increase public engagement and mobilize resources towards creating a more equitable and just society. We believe that collective action is the key to realizing this vision, and I am committed to doing my part in facilitating this process. We are confident that this effort will be a meaningful step towards creating a better future for all, and we are eager to take this challenge head-on.
